

MATHCOUNTS® STEM & Me Video Challenge

Tell your story with STEM for a chance to win a prize!

How to Enter:

1. Create a 5-minute video sharing your story with STEM
2. Upload the video or share a link at <https://mathcounts.ua.edu/awards.html> by February 15th

The award will be presented during the MATHCOUNTS Competition February 26th. **The winner will receive \$100 and a certificate.**

What is MATHCOUNTS?

A prestigious nationwide middle school mathematics competition. Across the states, tens of thousands of middle school students participate in MATHCOUNTS competitions each year.

Additional info can be found at:

<https://mathcounts.ua.edu/>

Women, persons with disabilities, and underrepresented minority groups are highly encouraged to apply.
