

We sincerely thank our generous sponsors: The University of Alabama's Division of Community Affairs, Nucor Steel Tuscaloosa Inc., Tuscaloosa Chapter of Alabama Society of Professional Engineers, Chinese Sisterhood of Tuscaloosa (CST), and Buffalo Rock Tuscaloosa. The College of Engineering, University of Alabama provided facility and personnel support. The 2019 MATHCOUNTS Tuscaloosa Chapter Competition would not happen without their support.

Division of
Community Affairs

Since its inception in 2004, The University of Alabama's Division of Community Affairs has grown to be recognized both nationally and internationally for its leadership in community engagement and its support of community-engaged scholarship. Through a host of initiatives and programs, the Division of Community Affairs is helping The University of Alabama fulfill its mission to advance the intellectual and social condition of the people of the state, the nation and the world.
